

PRIMO ESTATE

2019
JOSEPH
CABERNET SAUVIGNON MERLOT
MODA

Acclaimed as one of Australia's finest Cabernets since Joe Grilli of Primo Estate released the first vintage in 1987, the JOSEPH Moda is a Cabernet Sauvignon Merlot made from air-dried grapes in the 'Moda' (method) of the Italian Amarone wines.

TASTING NOTE

Intense bouquet of concentrated blackcurrant fruit intermingled with characteristic raisin and cigar box notes. Mouth filling palate of rich, lush blueberry wrapped in fine dark cocoa. The palate is silky, poised and just goes on and on, to a gentle finish with lingering cedar oak.

VINEYARD REGIONS

Fruit from cooler McLaren Vale sub-regions is balanced against the rich brooding red berry character of grapes from our warmer McMurtrie Road Vineyard on the valley floor.

VINTAGE CONDITIONS

Hot and dry conditions through Summer resulted in a short, condensed vintage characterised by excellent fruit quality and a reduced yield.

WINEMAKING

Using the Italian 'Moda Amarone', whole bunches were dried for one week in open racks under the Cellar Door carport to concentrate the flavours. The partially dried fruit was then crushed into traditional open-topped fermenters with manual pump-over. Open-topped fermentation is at the heart of the JOSEPH red wine style.
