## 2020 Virginia Vineyard Shiraz Cabernet Merlot

Life is just too short to drink anything other than great wine! Our Virginia Vineyard tradition began back in the early 1980s to provide delicious wine at an everyday price.

### Tasting Note

A generous, warm-hearted red with a long, velvety finish.

### Vineyard Region

Named after our original family vineyard planted at Virginia, just north of Adelaide in South Australia. Fruit is sourced from Primo Estate's Virginia and McLaren Vale vineyards plus selected local growers. Abundant sunshine and the afternoon sea breezes sweeping off St Vincent's Gulf combine to produce the base for this generous red.

### Vintage Conditions

A very dry and warm growing season meant early flowering and put us on track for a very early start to harvest. Good rainfall in early January provided welcome relief then the warm and dry conditions continued through February resulting in a very short, condensed vintage with some of the best quality fruit seen in years.

### Winemaking

We use a proven blend of Shiraz, Cabernet Sauvignon and Merlot to produce a harmonious, mouth filling style. Following blending we age in older American and French oak barrels to marry the components and impart a mellow, lingering oak character.
