

PRIMO ESTATE

NV JOSEPH The Fronti

Our master blend of great Australian fortified wines dating back to the 1950s.

Winemaker Joe Grilli started the wine 40 years ago using White Frontignan, or Fronti, from his father Primo's vineyard.

TASTING NOTE

Intense, concentrated flavours of toffee, raisin, walnut, and orange peel.

The complex layers of luscious flavour linger in a satisfying, drawn-out finish.

WINEMAKING

The Fronti's base wine began in the 1980s with White Frontignan, or *Fronti*, from Primo's original vineyard.

Over four decades, Joe has enriched the wine with parcels of Australian fortified sweet whites.

These museum releases have added layers of complexity and age to the wine.

The blended base has been aging in small oak barrels in the warm ambience of our vineyard shed, gaining intensity of flavour and developing outstanding length.

Enjoy the Fronti with good coffee, almond biscotti and roasted chestnuts!
