JOSEPH
The Fronti

Winemaker Joe Grilli's master blend of great Australian fortified wines.

This decades-old blend delivers concentrated flavours of coffee, raisin, and Christmas pudding.

TASTING NOTE

Intense, concentrated flavours of coffee, raisin, toffee, Christmas pudding and mixed peel.

The complex layers of luscious flavour linger in a satisfying, drawn-out finish.

WINEMAKING

The Fronti's base wine began in the 1980s with Frontignan from our Virginia Vineyard.

Over decades, Joe has enriched the wine with parcels of Australian fortified sweet whites.

These museum releases have added layers of complexity and age to the wine.

The blended base has been aging in small oak barrels in the warm ambience of our vineyard shed, gaining intensity of flavour and developing outstanding length.

Enjoy the Fronti with good coffee, almond biscotti and roasted chestnuts!
